# ENLIVENED **EVENTS**

**Greeting every moment with passion—it's what we do.**

From engagement parties and rehearsal dinners to birthday bashes, milestone celebrations and corporate events, Ceviche can help turn your meaningful occasion into an unforgettable memory.

Choose from a bountiful offering of ceviche, paella and other Spanish-style dishes, plus wines from Spain, Portugal, South America and the United States. There's sure to be something for everyone in your group to love.

Ceviche St. Pete is located downtown, just one block from picturesque Tampa Bay on trendy Beach Drive. The space encompasses a veranda-graced main floor dining area and a below-ground lounge, where guests enjoy live entertainment and a Flamenco show. Café Ceviche, next door to the main tapas restaurant and bar, offers full Ceviche cuisine options and service in a more laid back scene that's reminiscent of a European street-front bistro.
